

SHIVANSHU

Full Stack Java Developer

Phone: +91 7619001950 | Email: shipprarah@gmail.com | LinkedIn: linkedin.com/in/Shivanshu | GitHub: github.com/Shipra-rah

PROFESSIONAL SUMMARY

Full Stack Java Developer with hands-on experience building responsive web applications and Java-based backend systems. Proficient in React.js, Core Java, JDBC, Servlets, Hibernate, and REST API integration. Experienced in OOP, MVC architecture, and MySQL. Gaining hands-on experience in Spring Boot and microservices through professional training at DUCAT, Noida..

SKILLS

Languages :	Java, C, JavaScript (ES6+)
Frontend :	HTML5, CSS3, React.js, Tailwind CSS, Bootstrap
Backend:	Core Java, JDBC, Servlets, Hibernate, Spring Boot, REST API, OOP, MVC
Database:	MySQL, CRUD Operations
Tools:	Git, GitHub, Postman, Maven, Apache NetBeans, VS Code

EXPERIENCE

Java Full Stack Development Intern DUCAT, Noida	Jul 2025 – Present
- Building full-stack Java web apps using Spring Boot, Servlets, JSP, JDBC, and MySQL in structured industry training. - Developing and testing REST APIs using Postman, applying OOP principles and MVC architecture in project development. - Enhancing frontend skills with React.js, Tailwind CSS, and Bootstrap for responsive UI development	

PROJECTS

AI Text-to-Image Generator	HTML, CSS, JavaScript, APIs
- Built a web app converting text prompts into images using Gemini & Hugging Face APIs - Implemented async fetch, input validation, and loading states - Improved user experience with responsive UI	
Quiz Application	React.js, Tailwind CSS
- Developed an interactive quiz app with timed questions and real-time score tracking - Implemented React hooks (useState, useEffect) for state and timer management - Designed responsive UI and smooth question navigation.	
E-Commerce System	Java, JSP, Servlets, JDBC, MySQL
- Developed a full-stack e-commerce web application using Java and MySQL. - Implemented backend logic with Servlets and JDBC for products, users, and orders. - Designed JSP-based frontend integrated with database-driven CRUD operations.	

EDUCATION

CSJM Government Polytechnic	Ambedkar Nagar, UP, India
Diploma in Computer Science & Engineering – 72%	April 2022 – May 2025
Jay Bajrang Intermediate College	Ambedkar Nagar, UP, India
UP Board (10th) – 79.8%	April 2019 – May 2021

CERTIFICATES

Java Full Stack Development Intern – DUCAT, Noida	July 2025 – Present
Java Developer - by Digi{Coder}	August 2024

ACHIEVEMENTS

- Practiced Java problem-solving on LeetCode to strengthen logic and data structures.

LANGUAGES

- Hindi – Fluent
- English – Intermediate
